

# I-Ching Hexagrams

The page below gives the keyboard keys to print I-Ching elements and hexagrams. The first row is either the name or number of an I-Ching element or hexagram. The second row is the element or hexagram. The third row is the keyboard key to use.

This Window's True Type font set and guide was originally downloaded from the [www.awenman.com](http://www.awenman.com) web site. If you are reading this guide and do not have the font then please go to the website to download it.

If you enjoy being able to use this font then please consider passing it on to a friend who might also find it useful. A .zip file containing this IChinghx.ttf font along with this guide can be downloaded at [www.awenman.com](http://www.awenman.com) and then sent to your friend.

A free program to unzip the file can be found at  
<http://www.freedownloadcenter.com/Search/unzip.html>  
where you are actually given a large choice of programs to use."
